

You look like shit now. Look like you might get (*Throws the bottle of TCP into Robbie's eyes.*) gangrene.

Exit Lulu.

Robbie Nurse. Nurse.

Scene Eight

Bedsit.

Mark and Gary.

Gary I knew it wasn't right. I went to the council. And I said to her, look, it's simple: he's fucking me. Once, twice, three times a week he comes into my room. He's a big man. He holds me down and he fucks me. How long? she says. About two years, I say. I say he moved in then six months later it starts. I told her and she says 'Does he use a condom?'

Mark Yeah?

Gary Yeah. I mean 'Does he use a condom?' When it's like that he's not gonna use a condom, is he? Just spit. All he used is a bit of spit.

Mark On his - ?

Gary Spit on his dick.

Mark Of course.

Gary And then she / says -

Mark / And you -

Gary The next thing / she says -

Mark Does he / spit -

Gary I told her that and / she says -

Mark Does he spit up you?

Gary Listen. I tell her he's fucking me - without a condom - and she says to me - you know what she says?

Mark No. No, I don't.

Gary I think I've got a leaflet. Would you like to give him a leaflet?

Mark Fuck.

Gary Yeah. Give him a leaflet.

Mark Well -

Gary No, I don't want a leaflet. I mean, what good is a fucking leaflet? He can't even read a fucking leaflet, you know.

Mark Yes.

Gary And there's this look - like . . . panic in her eyes and she says: What do you want me to do?

Mark Right.

Gary Tell me what you want me to do.

Mark And you said.

Gary Well, I don't know. Inject him with something, put him away, cut something off. Do something. And I'm - I've got this anger, right? This great big fucking anger - here in front of my eyes. I mean, I fucking hate her now, right?

Mark So did you / attack?

Gary I go: Fuck. Fuck.

Mark Maybe a knife or something?

Gary So. In this little box, little white box room

Mark You attacked / her?

Gary I stand on the table and I shout: It's not difficult this is it? It's easy this. He's my stepdad. Listen, he's my stepdad and he's fucking me.
